RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT (37 CFR 1.121)

Dear Sir:

In the Notice of Non-Compliant Amendment (37 CFR 1.121), mailed on November 22, 2006, it is noted that the amendment document filed on 11-14-06 is considered non-compliant because it has failed to meet the requirements of 37 CFR 1.121 or 1.4. In order for the amendment document to be compliant, correction is required under numbered paragraph 4(A). In response, Applicant submits a complete and correct listing of all of the claims in the present application, which listing now includes Claim 8, which was inadvertently left out due to secretarial error. Accordingly, reconsideration and withdrawal of the Notice of Non-Compliant Amendment (37 CFR 1.121) is requested.
